Painters [HERO]

[HERO] is an innovative non-verbal performance that stages the entire process of painting combined with incredible visual effects and a witty blend of mime, dance and comedy.

Sangumburi Crater

An extinct volcanic crater filled with lush vegetation. The volcano exploded quickly but did not spew much lava nor did it form much of a surrounding cone. Being one of its kind in the country, making it Natural Monument no. 263.

Mt Halla

Hallasan is the highest mountain in South Korea. The ever-changing colors of scenery evoke a sense of wonder in all those who seek the beauty of nature. The mountain has been designated Korea's Natural Monument no.182. *Horse riding (own expense)

Petite France & Provence Village

Petite France French cultural village set in the Korean countryside. It consists of 16 French-style buildings where visitors can lodge and experience French food, clothing, and household culture. Provence is also a theme village with a cozy atmosphere, shops overlooking Imjingang River and North Korea.

Ecoland Theme Park

The park features brightly painted, 1800s' steam powered Baldwin trains look-alike that circle a track in the Gotjawal forest. Walk across a large, picturesque lake via the Eco Bridge, picture the huge Dutch-style windmill and watch the hovercraft takes off from dry land, then skim and spin along the top of the lake.
